4. Tournament format

The team at Pro-Am consists of a minimum of 2, and a maximum of 3 amateurs and 1 PRO. The Pro-Am tournament is played on eighteen holes in the better ball stroke play net format. The sum of the two best results from each hole counts for the classification.

The tee shot on each hole, except for PAR 3 holes, will be played in the Texas Scramble format – each player hits their own ball from the tee area. After all players have taken their shots, the Pro selects one of the balls (their own or an amateur's), marks its position, and then each player plays their own ball from a spot no farther than the width of a folded scorecard from the marked position, no closer to the hole. The ball must be placed in the designated area. The player whose ball was selected hits first. After that, each player continues to play their own ball.

Tournament starts on the shotgun or tee off.

Each team must give back two scorecards. Otherwise, the result will not be counted and the team will be disqualified.
